hafsah.joomun

I'm a highly motivated second-year student pursuing a BSc in Computer Science & Systems Engineering (CSSE) at Middlesex University. With a passion for development, I proactively seek opportunities to strengthen my skills and knowledge base. This includes mini projects, online courses, and exploring emerging technologies.

SKILLS

- Web Development
- Programming
- Project management
- Problem Solving
- Database
- Communication
- Interpersonal
- Critical thinking
- Robotics
